NARRATIVE SUMMARY

YEi.011 Motlaq Amer Al-Marrani

In accordance with section 5(h) of its Guidelines, the Security Council Committee established pursuant to resolution 2140 makes accessible a narrative summary of reasons for the listing for individuals, groups, undertakings and entities included in its sanctions list.

Date on which the narrative summary became available on the Committee's website: 26 September 2022

Motlaq Amer Al-Marrani was listed on 26 September 2022 pursuant to paragraphs 11 and 15 of resolution 2140 (2014), as meeting the designation criteria set out in paragraph 17 of resolution 2140 (2014), including as elaborated by paragraph 19 of resolution 2216 (2015), as well as paragraph 18(c) of resolution 2140.

Motlaq Amer Al-Marrani has engaged in acts that threaten the peace, security and stability of Yemen, including violations of applicable international humanitarian law and human rights abuses and obstructing access to humanitarian assistance in Yemen.

Additional information:

Al-Marrani is listed for orchestrating unlawful acts of torture and detention that threaten the peace, security, and stability of Yemen, including acts that violate applicable international humanitarian law and that resulted in the obstruction of access to humanitarian assistance in Yemen, thereby meeting the criteria for designation as laid out in Paragraph 17 of resolution 2140 (2014), as further elaborated by paragraph 19 of resolution 2216 (2015), as well as paragraph 18(c) of resolution 2140 .

As Deputy Head of the Houthi National Security Bureau (NSB), Al-Marrani directed the arrest, detention, and ill treatment of humanitarian workers and others working in humanitarian assistance and was also found to have abused his authority and influence over humanitarian access as leverage to generate personal profit. The Panel of Experts on Yemen documented these activities in its 2018 Final Report (see S/2018/594, paragraph 193).

As further documented by the Panel of Experts on Yemen, Al-Marrani oversaw detainees of the NSB, who were reportedly subjected to torture and other mistreatment during their detention. He also orchestrated the extortion, intimidation, and the illegal arrest of company managers and bank directors, with threats of accusing them of collaboration and spying for the enemy unless they complied with judicial custodian orders.
